

MAKERERE UNIVERSITY
LEVERAGING 100 YEARS OF EXCELLENCE
IN BUILDING A TRANSFORMED SOCIETY

PROF. SENTEZA KAJUBI FULBRIGHT MEMORIAL LECTURE

THEME:

Internationalization of Higher Education in the Next Century

PANELIST DR. COSMAS MWIKIRIZE

Lecturer, Department of Electrical
and Computer Engineering,
Makerere University

Cosmas Mwikirize is a lecturer Department of Electrical and Computer Engineering, Makerere University

He is also an Associate in the Economic Affairs Section at the Nkafu Policy Institute. He also is a Fulbright Fellow and a PhD in Biomedical Engineering from Rutgers, The State University of New Jersey. His research interest is in improving ultrasound imaging for guidance of minimally invasive procedures such as oncological interventions and pain management. He holds a Master's degree in Biomedical Engineering (Rutgers University), as well as Master's and Bachelor's degrees in Electrical Engineering from Makerere University.

Previously, he served as an Assistant Lecturer in the Department of Electrical and Computer Engineering at Makerere University. As an undergraduate student, he was leader of the team that developed and deployed the first internet laboratories (iLabs) at MAK in collaboration with MIT. Thereafter, he was an iLab-Africa research fellow, supported by the Carnegie Corporation of New York, and the Associate Principal Investigator of the iLabs@MAK Project.
